SERVICES: The first of its kind in the nation to be owned and operated by a hospital. The Genesis Therapeutic Riding Center provides outpatient occupational therapy services in a non-traditional health care setting. The horse's rhythmic, repetitive movements mimic human movement patterns, due to the similarity of pelvic structure. These similarities are passively transmitted to clients who demonstrate improved mobility, balance, posture and function. The Center provides a natural, yet controlled environment for clients to develop confidence and independence. Therapeutic riding can be beneficial in the following diagnoses: Autism, Traumatic Brain Injury, ADHD/ADD, Down's Syndrome, Stroke, Developmental Delay, Cerebral Palsy, Learning Disabled/Behavioral

Disorders, Sensory Integration Dysfunction, Multiple Sclerosis and other neuromuscular disorders.
