

In 2007, the City of Lake Charles, Wastewater – Pretreatment Division united with Team Green of SWLA (City of Lake Charles Mayor’s commission and an affiliate of Keep America Beautiful) to open a **Residential Mercury Collection Site**. Citizens can now safely dispose of mercury and items containing mercury and free of charge. We accept mercury and items containing mercury from anywhere within the following five-parish area: Calcasieu, Allen, Beauregard, Jefferson Davis and Cameron.

This important outreach to the public has been supported through generous donations from our local businesses. Without the continued support of charitable sponsors like you, mercury items would end up in our environment or worse, remaining in the home and endangering our citizens. All funding is used for the cost of mercury recycling and storage.

Please join us in supporting our Public Mercury Collection Site program by becoming a partner. . Your donation to this very important cause, regardless of the amount, will be greatly appreciated. If you are interesting in becoming a partner, please complete the “Letter of Commitment” form following this page. If you have any questions, please contact me at 337-491-9185

Team Green of SWLA and the City of Lake Charles would like to offer the following benefits for the various sponsorship levels for the Residential Mercury Collection Site:

Gold Sponsor (\$5,000 or more): a) Press release, b) Acknowledgement on City Website and Social Media, c) Name and emblem (Size according to donation amount) at all three collection sites, d) Emblem (Size according to donation amount) on flyers distributed out to the public

Silver Sponsor (\$2,500 to \$4,999): a) Name and emblem (Size according to donation amount) at all three collection sites, b) Emblem (Size according to donation amount) on flyers distributed out to the public

Bronze Sponsor (\$1,000 to 2,499): a) Emblem (Size according to donation amount) on flyers distributed out to the public

Partner (\$500-\$999): a) Emblem (Size according to donation amount) on flyers distributed out to the public
