TAG COPY - POLICE

Registering bicycles deters theft and helps locate the bicycle owner in case of loss. All bicycles operating on the street, alleys, sidewalks, or roadways-including private property- in the city limits must be properly registered, according to section 5-16 of the City's Code of Ordinances.

Bicycle owners must bring the completed registration form to the Department of Recreation & Parks office located at City Hall, 326 Pujo Street, 3rd floor. There is a \$1.00 registration fee per bicycle. For more information, contact the Department of Recreation & Parks at 491-1280.
